

JAIN A DAY

Hot Jobs

There are many jobs to choose from when you become an adult.
Below are some jobs that are popular in your community.

Brickmason

Brickmasons, also called brick layers, build and repair any structure that is made of brick. They are part of the construction industry and precision is a very important part of this job. Being off by the smallest amounts can cause complications in a project.

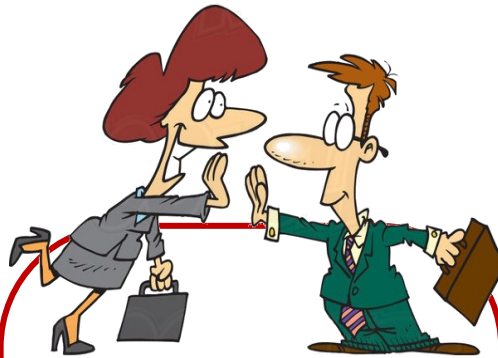

Teacher

Teaching is a very important career. There are also other popular jobs in education such as counselors, administrators, and maintenance.

Doctor

Doctors and nurses are part of the healthcare industry. Other popular healthcare jobs are assistants, therapists, and pharmacists.

Business Person

Business men or women may choose to start their own businesses or work in careers such as accounting, finance, marketing, and event planning.

Mechanic

Mechanics are part of the service industry. Other popular service careers are plumbers, electricians, and appliance repair.

Soft Skills

Soft skills are the qualities you have that you use to get along with the people around you.

Reliability

Honesty

Obedience

Teamwork
