

2016-2017

Teacher Survey & Verification

Fax Back to: Education Team (636) 728-0708

Important! Junior Achievement upholds the highest standards. Programs remain relevant and as part of JA's ongoing commitment to quality implementation of programs, it is important to confirm each program and verify participation of each JA volunteer. Your input is important to the future of Junior Achievement. We use the data received to evaluate and improve the effectiveness of Junior Achievement Programs. Please assist us by completing and returning this form via fax (636)728-0708 or mail after your final JA program visit.

Required Information: All fields must be completed. Name: Email: Number of students in the class: Grade: Semester: School Name -OR- After-school Site Name: Volunteer Name: Class time: Signature: Date: Required Information: Please check the JA program you implemented to verify the number of activities presented. Thank you!

Please indicate your level of agreement with each question

- 1. JA provided me with adequate information.
2. JA provided satisfactory assistance during program
3. My participation in JA has been personally rewarding
4. Students were enthusiastic about the material.
5. The JA program is an effective learning experience for students.
6. The JA lessons corresponded to and supported my curriculum
