

PARENTS

"I'm excited that my son is attending the JA Academy magnet school because he has the opportunity to interact with business leaders in our community that will enhance the business and life skills that he will be learning at the Academy. They have an interactive classroom structure and college campus-like feel, which will also prepare him for college life."

Preparing Students for a Successful Future

JA ACADEMY FOR LEADERSHIP & ENTREPRENEURSHIP

When it comes to their children's education, the parents of high-achieving students are looking for hands-on experiences, relevance and quality. At the JA Academy for Leadership & Entrepreneurship, our curriculum is designed to meet these expectations, with challenging, engaging studies and a variety of real-world opportunities.

Founded and directed by Junior Achievement of Central Florida and Orange County Public Schools, the JA Academy is open to students throughout Orange County who demonstrate academic and leadership aptitude. For these exceptional students, our high school offers:

- A true "full immersion" experience with curriculum that mixes leadership, business, and academic concepts and promotes the principles of free enterprise
- Job shadowing, internships, field trips and executive guest lectures that offer a connection to the real-world of entrepreneurship
- Networking with business and community leaders, including mentors
- College credit through dual enrollment and Advanced Placement courses
- State-of-the-art facility and learning technology, including a laptop for each student

Our knowledgeable, experienced teachers and staff are dedicated to opening students' minds to the endless career and leadership options available to them in our free enterprise system. We will be there to help guide them through the scholarship and college application processes, and to offer career counseling.

THE RIGHT SCHOOL FOR YOUR BRIGHT STUDENT

The JA Academy is open to all Orange County incoming ninth-grade students, and transportation is available. Potential students must meet requirements including a minimum GPA of 2.5 for incoming 9th graders or a GPA of 3.0 for incoming 10th graders, evidence of leadership and entrepreneurial skills, and compliance with the JA Academy Code of Conduct and Standards.
