The U.S. President’s Volunteer Service Award is a presidential recognition program created in 2003 by the President’s Council on Service and Civic Participation for individuals of all ages who contribute a significant amount of time to volunteer service. In 2006, Junior Achievement became an official certifying organization for this award because of its national reach and standing. This status allows JA to bestow this honor to corporations with a U.S. presence that provide volunteers to teach JA programs anywhere in the world.
