

JA Company Bank Accounts – Sub Account of Junior Achievement of East Central Ohio

As a reminder, teachers and schools are not liable for the account and Dawn L. Campanelli, President of Junior Achievement of East Central Ohio will be the third signor on the account for oversight purposes to fix problems and close accounts at the end of the year. The process to open an account takes about two weeks.

Your JA Company officers will have control over debits and credits to the account to manage the JA Company finances. Student Officers of CEO and CFO should possess strong accountability and trustworthiness to accept the responsibilities of the position to manage finances for their JA Company team.

Debit Cards – PIN required

Each JA Company will have one debit card to use for purchases. Please provide a 4-digit security code for the debit cards

Email Address To Receive Temporary Password for account authorization

Huntington Bank representatives will open a business online account for each JA Company. Please provide the CFO or CEO's email that can be accessed when they are in your classroom. Huntington will send a temporary password to the email address.

Service Charge – Fee for printed bank statements

A \$2 monthly service fee will be charged and is the liability of the JA Company to account for the fee. This \$2 fee can be eliminated by having the JA Company officers opt for e-statements only.
