| **Unit 1:** Students explore their role as citizens of a community. They are introduced to the concept of the circular flow of money and goods in an economy. They define basic economic concepts and discuss the impact of taxes and philanthropy. | **Objectives:** The students will:  
- Define various vocabulary terms  
- Explain how good citizens have a sense of responsibility to others and to their community  
- Identify goods, services, and resources (human, natural, and capital)  
- Demonstrate the circular flow of an economy  
- Discover the function of businesses in producing goods and services  
- Define scarcity and learn more about free enterprise  
- Identify the three basic economic questions (what, how, and for whom to produce)  
- Understand why people pay taxes  
- Define gross pay and net pay.  
- Calculate tax by multiplying with decimals  
- Differentiate between public goods and services and private goods and services  
- Give examples of philanthropy | **Grade 5**  
CC.1.4.5.J,L,W  
CC.1.5.5.A,B,G

<td><strong>Unit 2:</strong> You must have money to spend money. Students need to understand this fundamental concept of earning and spending if they are to grasp the importance of sound personal finance. This unit introduces students to bank services and practices that will help them to be successful in <em>JA BizTown</em> and in life. In a society in which money transactions increasingly are instantaneous, it is critical that students understand the basics of deposits, checks, and withdrawals and then build on that knowledge to understand electronic banking and bank cards.</td>
<td><strong>Objectives:</strong> The students will:  - Extrapolate services offered by financial institutions  - Complete a bank account application  - Demonstrate an ability to endorse a paycheck  - Complete a deposit ticket.  - Maintain a check register correctly  - Describe the consequences of insufficient funds  - Write and sign checks  - State the benefit of an interest-earning savings account  - Explain how money in a savings account grows  - Explore the differences between checks, debit cards, and credit cards  - Explain how money changes hands when a debit card is used  - Demonstrate use of a check register to record a debit purchase</td>

## Unit Description

**Unit 3:** Citizens learn how their interests and skills can lead to exciting careers. They have an opportunity to assess their own skills and interests and to see what kinds of jobs are available at *JA BizTown*. They have an opportunity to fill out a job application and experience the job interview process.

| **Unit 5: Citizens participate in the JA BizTown simulation and then return to class for a debriefing lesson to ensure they have a well-rounded learning experience. The debrief lesson allows citizens to reflect on their JA BizTown experience and further identify the relevance of classroom learning to their future plans and goals.** | **Objectives:**  
The students will:  
- Function in their job capacity at JA BizTown  
- Manage their personal finances and time  
- Carry out responsibilities of citizenship, such as voting and obeying laws  
- Evaluate team performance at JA BizTown  
- Explain the circular flow of economic activity  
- Describe how citizens use financial institutions  
- Describe how citizens work within a quality business  

**Concepts:** Business management, Economics, Free enterprise, Performance evaluation  

**Skills:** Self-direction, Planning, Self-discipline, Adaptability, Initiative, Interpersonal communication, Math computation, Teamwork, Self-reflection, Self-expression, Recalling and presenting relevant information | **Grade 5**
