A TEAM COMPETITION AGAINST OTHER COMPANIES IN A GAUNTLET OF STEM ACTIVITIES.

This event, based on our wildly popular 9th grade STEM Summit Program, will put your STEM skills to the test and answer the burning question…

“Are you smarter than a 9th grader?”

As part of the STEM Corporate Challenge, your five person team will compete against teams from other area companies in five different STEM focused competitions, plus a fundraising challenge to see which team can raise the most money and earn the title of "JA Hero"!

Prizes will be awarded to the overall top scoring team, top fundraising team, and top individual fundraiser. Top team and individual fundraisers will be determined by individual donations received through Qgiv, NOT including corporate registration fees. We encourage all teams, whether company or individually funded, to use Qgiv, our fundraising site, to raise as much as possible.

In the STEM Challenge, referees will officiate each timed competition and points will be awarded based on the criteria specific to the challenge. The STEM Challenge trophy will be awarded to the team with the highest cumulative scores. Competitions include:

- Electrical Competition • Relay Competition
- Math Competition • Engineering Competition
- Robotics Competition

Your company can register teams of five associates for a minimum of $500 per team.

Registration will be completed and fundraising will be tracked on our Qgiv event site.

2020 Event Schedule

Lancaster

May 14: Listrak Corporate Office, Lititz

Harrisburg

May 19: Capital City Airport, New Cumberland

York

May 28: Memorial Hall, York Fairgrounds
