

### IN DEPTH ACTIVITIES FOR K-4th GRADE

### SELF-GUIDED JA BIZTOWN FOR 5th-6th GRADE

Congratulations! You have completed the session.

JA BizTown®

### SELF-GUIDED JA FINANCE PARK FOR 7th-12th GRADE

#### DETAILS

Junior Achievement's unique program help kids learn the value of helping others while supporting ELA concepts! Parent educators and learning facilitators can share storybook lessons, coloring activities, flash cards, and more. The impact of JA programs is measurable, too. Students who participate in Junior Achievement programs demonstrate a significant understanding of sharing, spending, earning and saving concepts. We invite you to take a closer look at our programs!

#### DETAILS

The self-guided curriculum similar to the JA BizTown classroom curriculum will cover objectives related to financial literacy, economics, business management as well as work and career readiness. After completing the curriculum, students will gain an understanding of various aspects of running a business as they take on the roles of CEO, CFO, Marketing Director, Sales Manager, and Consumer via five online, self-guided adventures. This curriculum and virtual experience will be available in early October.

#### DETAILS

In the self-guided offering of JA Finance Park students will build a foundation upon which they can make intelligent, financial decisions that last a lifetime, including decisions related to income, expenses, savings, and credit. Students will be introduced to the concept of "adulting," laying the groundwork for their future as they create a monthly budget based on a randomly assigned life persona. This curriculum and virtual experience will be available in early October.
