JA Company Program® Blended Model

JA Company Program® provides high school students (grades 9–12) an opportunity to fill a need or solve a problem in their community by launching their own start-up business, unleashing their entrepreneurial spirit. The program utilizes both original and curated content. Meeting-specific, student-friendly materials enable students to identify the key elements of organizing and operating a business and to consider creating their own start-up business.

JA Company Program® Blended Model is available for implementation in school or after school, and may be completed in one semester or throughout an entire school year. Two implementation options are available: 13 two-hour meetings or 26 one-hour meetings. A volunteer is required to lead 13 Instructional Contact Hours; the teacher may deliver the remainder. Each student receives 26 Instructional Contact Hours.

Meetings One–Five: Startup and Launch

Meeting One: Start a Business
Students examine their own entrepreneurial traits and how those traits fit within their company structure, and they explore potential ways to fund their venture.

Meeting Two: Fill a Need
Students brainstorm potential products and services that could fill a need or solve a problem, and determine which business ideas should be vetted further.

Meeting Three: Vet the Venture
Students conduct research on their top product or service ideas and decide which idea to move forward with based on a series of factors.

Meeting Four: Create a Structure
Students form business teams and begin to develop their business plan through a series of specialized tasks.

Meeting Five: Launch the Business!
Business teams report on their tasks and findings to the entire company and come to a consensus on major decisions as they launch the business and finalize their business plan.

Meetings Six–Eleven: Run the Business
Each week, business teams meet to provide status updates to the entire company, review priorities, and accomplish tasks to meet company goals and objectives.

Meetings Twelve and Thirteen: Wrap-up and Look Ahead

Meeting Twelve: Liquidate the Company
Students conclude remaining business operations, liquidate the business, and decide what to do with the profits.

Meeting Thirteen: Create a Personal Action Plan
Students create their own personal action plan using the knowledge and experience gained throughout the program.
