

Tips for the Elements of STEM Day

Prepare...

Charge your computer

Have a computer charger with you in case you need it

Prepare questions for the live sessions

On Day of Event...

Have a good attitude

Be in an area where you can focus

Have your cell phone on mute

Wear your earbuds

Participate in as many areas of the platform as possible

Have your questions ready

Take notes

Answer questions that pop up on your screen

Thank the speakers you meet by typing in the Q&A

After the Event...

Complete post-survey

Complete career planning guide (optional)
