

# JA BIZTOWN SUMMER CAMP @HOME

We are excited to share our @ Home version of JA BizTown Summer Camp, sponsored by BKD, LLP! In order to keep our families and campers safe and healthy, we have been working hard to find a way to bring the unique activities and speakers of our traditional camp to your home this summer.

Our camp will be offered virtually, at no cost, for five weeks and designed for the ages 9-12 (but feel free to have other ages in your home participate if they want to join the action). You can register for as many weeks as you'd like, and we will share details on how to get started each day to make it a great experience for your campers. We expect the activities to last approximately one hour each day, Monday-Friday and aside from a few live opportunities, you can participate whenever you'd like. Many of our special guests at camp will be engaging with our @ home campers again this year. We will be bringing you the MAGIC of Johnny Magic, the Indy Humane Society will be showing their most beloved animals and much more.

All you need to do is [register here](#)! Please share this opportunity with your co-workers, friends, and family.

Hope to see your camper on the sign up list!
