

Jobs? Careers? Where Do I Start?

Career Fair

2018-2019

At the JA Career Fair, students will meet with representatives from the six career pathways who will share their stories, the path to their jobs, education and training requirements for their professions and a typical day on the job.

WHEN:

Wednesday	March 6, 2019	Middle School grades 7th-8th
Thursday	March 7, 2019	High School grades 9th-12th

Choose from three 2-hour sessions when you register

WHERE:

Moolah Shrine Center
12545 Fee Fee Road
St. Louis, MO 63146

Students and career representatives come together at the Junior Achievement (JA) Career Fair!

Our career speakers personify the careers of the United States Department of Education Career Clusters.

- In four small group settings, students learn what jobs and careers entail as they ask questions and engage in conversations with career representatives.
- In an auditorium setting, professionals and entrepreneurs share their personal stories of the paths to their careers including the decisions, sacrifices and successes they have realized along the way.

To make the most of this experience, beginning in early February, we will deliver to you **JA Start with the End in Mind** student booklets, an accompanying PowerPoint and the **JA Career Fair Student Workbooks** to be utilized during your JA Career Fair visit.
