Career Track students will be attending round table discussions with UA representatives and local professionals as they discuss the most in-demand degrees and professions. There will be an opportunity to ask questions during the Q/A portion.

Ask students to pick which top three fields they would like to hear from. Please write the appropriate numbers, in order of preference, in the "Fields Selected" column. This will help with assignments and planning. We will do our best to match your students to one of their top choices. Students that do not choose in advance will be randomly assigned.

- 1. Engineering
- 2. Health Care
- 3. Accounting / Business Management
- 4. Software Development
- 5. Education / Child Development
- 6. Marketing / Communications
- 7. Skills
