Career Cluster Interest Survey
Tell us your interests. We'll show you career clusters you might like.

What is a career cluster interest survey?
Everyone has a different way to describe themselves and what they like to do. This survey lets you rate activities you enjoy, your personal qualities, and school subjects you like. Then you can see which career clusters are a match for your interests.

How long will it take?
The survey will take about 5-10 minutes.

What will I learn?
At the end of the survey, you will see a list of career clusters that are a good match for your interests.
