**Vision -**
To inspire girls and young women to open their minds to new opportunities, understand the power of their choices and reach high to achieve their full economic potential.

**Mission -**
To prepare girls and young women for economic success by providing hands-on experiences and educational opportunities that honor, value and celebrate the female perspective, experiences and unique development.

**Goal -**
To increase knowledge and build skills in financial literacy, workforce preparation and entrepreneurship.

Junior Achievement is the world’s largest organization dedicated to educating students about workforce readiness, entrepreneurship and financial literacy through experiential, hands-on programs. Junior Achievement of North Florida has been operating in Jacksonville since 1963 and now includes a satellite office in Tallahassee.
