JA programs empower students to make a connection between what they learn in school, and how it can be applied in the real world enhancing the relevance of their classroom learning and increasing their understanding of the value of staying in school.

During the 2017-18 school year, with the help of 1,515 volunteers, JA provided programs to over 27,272 Alabama students. Our free to schools, volunteer led K-12 programming builds a ladder from the classroom to the future through teaching leadership, financial literacy, and entrepreneurial spirit.
