

Junior  
Achievement®  
of Alabama

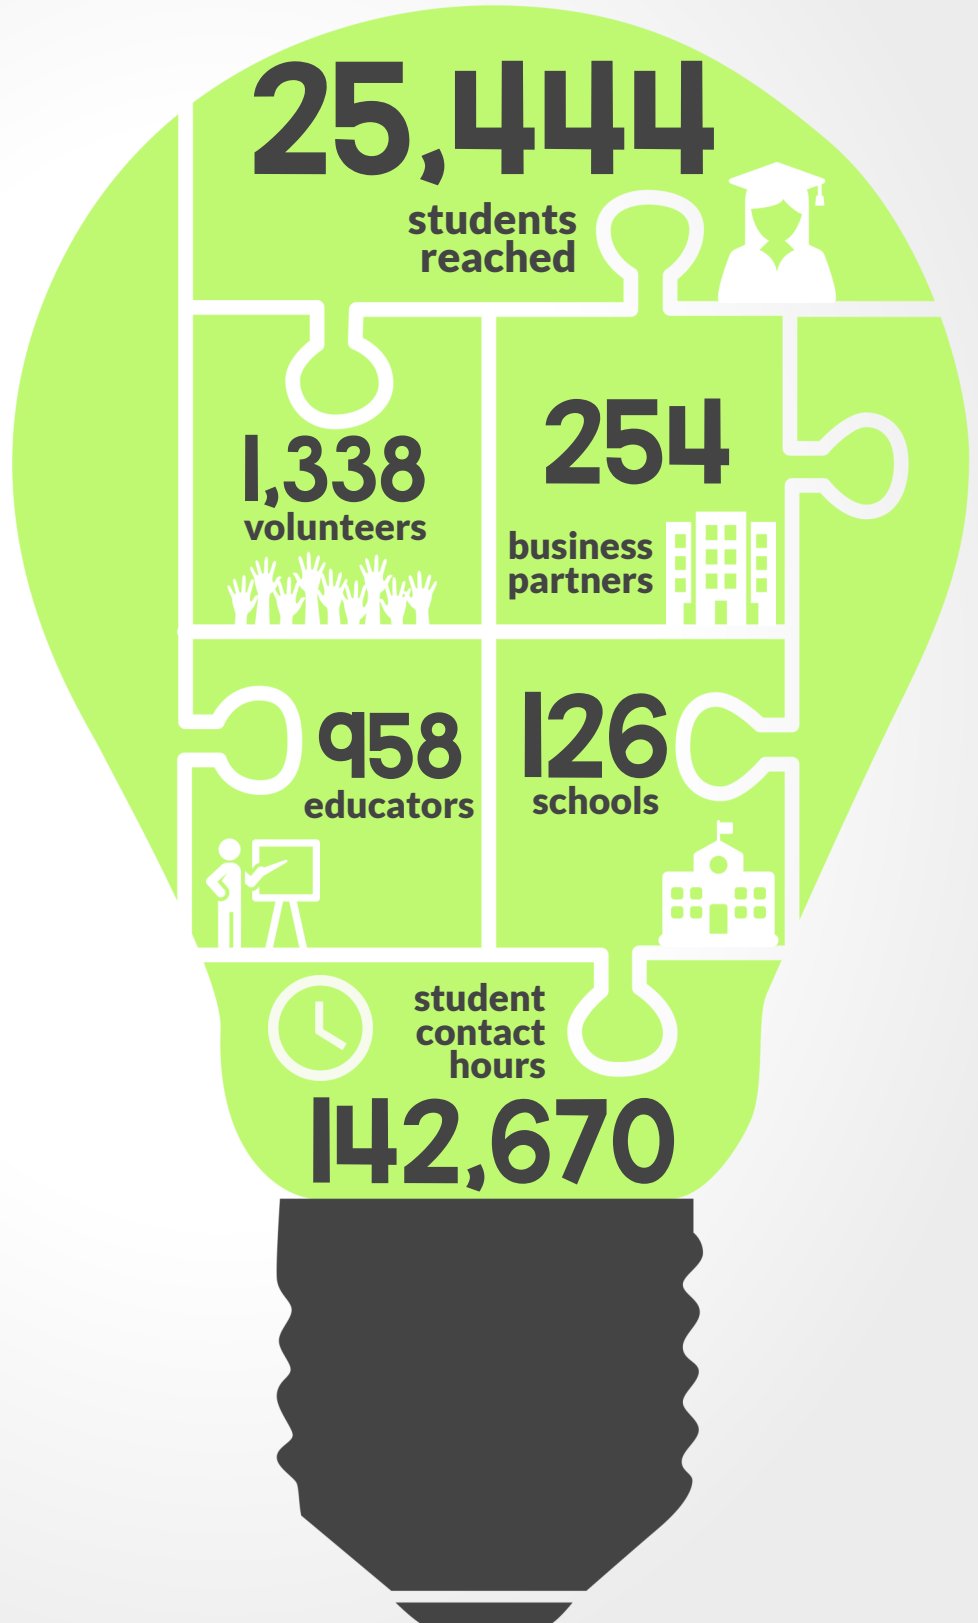

# Impact Data 2016-2017

Junior Achievement of Alabama recorded over 140,000 student contact hours. **That's over 5,800 days, 190 months, or 15 years.** This was for one year of programming provided to kids here in our community!

How much would it cost if we had to pay for these provided program hours? The estimated value of volunteer time this year was \$24.16. **It would cost JA over \$3,446,907 to provide our programming to youth across Alabama.**

**The business community is the backbone to our organization** and we were fortunate to have over 250 business partners give their time, talent, and financial support to **inspire students to dream big and help them build a better future.** All of these components are vital to have a successful program year, and JA of Alabama thanks all its partners for their continued support in helping build brighter futures across the state.

**BUILDING  
BRIGHTER  
FUTURES.**

# 2016-2017 Volunteer Partner Organizations

## 100+ Volunteers

## 50-99 Volunteers
