

JA YES is a dynamic group of young professionals from various industries and corporations in Fort Worth, who want to get involved with Junior Achievement through networking and the advancement of Junior Achievement's programs and initiatives.

All fundraising is done at the local level to be utilized at the local level!

Our Focus:

Raise more than \$10,000 for Junior Achievement programs in Fort Worth through multiple fundraising events throughout the year.

Share JA. Celebrate JA. Innovate JA.

A Student Bio: Kennedy, Sophomore at Eaton High School, NISD

JA Program: JA Company Program, 2nd year

JA Student Company: DEFY, www.defysci.org

About DEFY: DEFY sells science inspired jewelry to help girls pursue STEM. Kennedy's product is a circular pendant sold with a chain that must be attached together without bending or tying the chain-using the principles of physics! The company will be competing nationally for the JA Company of the Year title in June 2018.

Company Fun Fact: During its mass assembly of the product, the students played Christmas music-in October-to boost employee morale and production!

What Impact has JA had on your high school experience?

Kennedy: "JA has influenced everything! From learning how to start up a company, hire and inspire employees, marketing and becoming a leader in my community JA has played a pivotal role. Because of the JA company program, I can now say that I feel confident and eager for my future in business."

Your JA YES! participation inspires youth like Kennedy to pursue their dreams. Join today!
