

JA JOB EXPLORATION

The Link Between School & Work

Would you rather tell students about
your workplace or show them?

JA Job Exploration Day introduces students to careers through a 1/2 day visit to your company. It is an authentic world-of-work experience for the students.

Job exploration is designed to increase career awareness, help model student behavior through examples and reinforce the link between classroom learning and work requirements. Almost any workplace is a potential host site.

JA Job Exploration Day Benefits to Employer:

- Helps prepare our future workforce
- Showcases company and brand to future consumers and employees
- Increases job satisfaction of your employees who want to engage in public service

JA Job Exploration Day Benefits to Students:

- Shows the relevance of school to work --- JA Job Exploration showcases a variety of jobs and careers.
- The work environment and professional interactions are something these kids need to see and experience.
- Gain valuable skills to use for career success

Participating is an easy, rewarding experience – JA provides the ideas and, of course, the kids!!

Participating is an easy, rewarding experience:

- Junior Achievement provides the material and helps you plan the exploration day.
- Students spend the 1/2 day at your workplace, interacting with your employees in one of several formats - whatever works best for your company.
