

## STUDENT RESULTS

### BECAUSE OF WHAT I'VE LEARNED...

### I BELIEVE MOST OF WHAT HAPPENS IN MY FUTURE DEPENDS ON ME

### I BELIEVE MY OWN ACTIONS WILL DETERMINE HOW MUCH MONEY I HAVE

### BECAUSE OF JA FINANCE PARK...

### STUDENT COMMENTS

- "Everything we did helped me understand more what I have to do in my future."
- "What was meaningful about my experience with JA was being able to see how much my family spends and how hard my dad works."
- "I learned that life isn't easy and you truly can't afford everything no matter your job. Problems will come up."
- "JA Finance Park helped me understand how to properly save and budget for my future."
- "I learned that you don't have to spend a lot of money on things you don't need and that you have to pay all your credit cards."

## EDUCATOR RESULTS

### EDUCATOR COMMENTS

- "I like the realistic life scenarios and how it was relevant to their lives."
- "JA Finance Park allowed students to see everything and actually apply it instead of just listening to someone. This was huge to them."
- "My students were engaged the entire time. Even some of my students that sometimes lose focus were actively learning the entire time."
- "The budget process helped students see that managing money requires you to make difficult decisions."
- "Real world experiences—interactive and engaging!"

## VOLUNTEER RESULTS

### VOLUNTEER COMMENTS

- "Enjoyed seeing students connect the dots in regards to real costs of budget categories."
- "The real life scenarios really helped the students think about how and what to use their money on. The budgeting process was very eye opening."
- "Financial literacy is such a crucial topic for today's high school students. Thank you for providing this invaluable program."
- "Great experience! Wish I had this opportunity when I was in high school."
